Broome

Town summary

This charming seaside resort town began in the late 1800s as a pearling port. With attractions such as the picturesque Gantheaume Point which is home to the 130 million year old dinosaur footprints, the pearl showrooms in Chinatown, the world class Cable Beach and many World War II relics, Broome has experiences which visitors will never forget.

Distance from Perth

2,415km north of Perth.

Population

Approximately 13,220 people.
