

Orientation Program External Request Form

For doctors new to rural Western Australia

Thank you for considering Rural Health West for your incoming doctor's orientation. The Rural Health West Orientation Module has been designed to assist with the transition of newly-arrived doctors to Australian clinical practice and as such the following learning outcomes are covered:

- Describe the Australian healthcare system, with particular reference to the Medicare Benefits Schedule and the Pharmaceutical Benefits Schedule
- Discuss communication and cultural safety within an Australian context
- Outline professional health organisations and facilities relevant to the doctor
- Explain legislative and professional practices as it applies to the doctor

Doctors will receive a comprehensive manual plus a backpack including relevant resources.

The Rural Health West Orientation Program has been approved for 40 category 1 points in the Royal Australian College of General Practitioner (RACGP) 2017-19 CPD program.

Please fill in the details below and email to orientation@ruralhealthwest.com.au or fax 08 6389 4501.
